SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

This SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT is being filed based on newly discovered references dated August 13, 2008.

In accordance with 37 C.F.R. 1.98, there is submitted herewith a completed "SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT BY APPLICANTS" (Form PTO/SB/08A) with patents and/or publications as delineated therein attached.

KR2001-0087653 discloses a leveler guiding device for a washing machine includes a plurality of vibration sensing elements(10,20) mounted on outer parts of the washing machine for measuring vibrations of each outer part when the washing machine is in operation, and a microcomputer(70) for comparing the measured values of the vibration sensing elements to determine the horizontality and displaying manipulation positions and manipulation amounts of leveler legs for controlling the horizontality.

If no translation of pertinent portions of any foreign language patents or publications mentioned within the "SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

BY APPLICANTS" is included with the aforementioned copies of those applications, patents and/or publications, it is because no existing translation is readily available to the Applicants. As per the Notice in 1273 OG 55 (August 5, 2003) no copies of any above-mentioned US patents and US patent application publications are submitted for this application which was filed after June 30, 2003.

Respectfully submitted

Russell W. Warnock
